

# PEOPLE I LOVE (HURT ME)

2min:44sec

written by SHN

You'll never guess it  
You'll see me laughing  
But if you come closer, I might just close  
up  
First-name basis  
Oh how great is this?  
You think you're the first one to try  
But babe, there's a tall wall to climb

'Cause all of my ex-loves, past friends,  
mess-ups  
They've set an expectation, on how we're  
going to end

Why do people I love only know how to  
hurt me?  
Why do people I love only know how to  
hurt me?  
I keep opening up, but I just get  
disappointed (uh)  
Why do people I love only know how to  
Hurt me?

It's second nature  
Counting the days, yeah  
'Til we've had our run  
Typically 8 months  
And I hate that you're so sweet, you're so  
close to making me leave  
You think you're the first one to try  
But there's too many dragons to fight

'Cause all of my ex-loves, past friends,  
mess-ups  
Made promises to love me, of which they  
never keep

## CHORUS

And I don't wanna be alone  
But it's safer here don't you know  
If you're not attached, no one can hurt you  
I don't wanna be alone  
Cos it never feels like home  
But haven't you heard, people you love  
can hurt you

People you love  
Can hurt you  
(x3)  
People I love

## CHORUS

They only know how to hurt me

Why do people I love only know how to  
hurt me?
