

all the other boys

written by SHN

3min:39sec

the first manipulated me
turned me into someone that I'm not
told me if I loved him then the least that I
could do was suck his cock

the second was a sweetheart till it got a
little too hard to keep up
didn't like the inconvenience, traveling 30
minutes was too far

and I usually wouldn't go back
'cause I'm way over that
not the kinda girl to keep score
but if you must know
you're the best I had
and I'll always want you more

'Cause all the other boys
They don't know me like you do
All the other boys
They don't love me like you do
Babe if I had a choice
I would start and end with you
'Cause all the other boys
They don't know me, they don't love me
like you do

the third got pretty close until he chose
not to disclose his poor intentions
(what a shame, what a shame) (x2)
hoping I would compromise
but never meant to from his side
he's hopeless

the fourth one was the worst I'd say
felt he had the right to make me wait
so when I moved on, he got mad
Man, I'm sick of these entitled brats

CHORUS

and I usually wouldn't go back
'cause I'm way over that
not the kinda girl to keep score
but if you must know
you're the best I had
and I'll always want you more
(x2)

CHORUS

all the other boys
they don't see my like you do
all the other boys
they don't respect me like you do
babe, if I had a choice
I would start and end with you
'Cause all the other boys
they don't know me, they don't love me
like you do
